

Orange Countywide Oversight Board

Date: 9/26/2019

Agenda Item No. 8A

From: Successor Agency to the Garden Grove Redevelopment Agency

Subject: Resolution of the Countywide Oversight Board Approving Amendment to J&G Industries Contract for Project No. S-1232 Brookhurst Triangle Demolition Project - Phase II

Recommended Action:

Approve resolution approving amendment to a contract with J&G Industries, Inc., for Project No. S-1232 – Brookhurst Triangle Demolition Project – Phase II for the Garden Grove Successor Agency.

The Garden Grove Successor Agency requests approval of an amendment to the budget and an extension to the term of a contract with J&G Industries, Inc., (“Contractor”) for Project No. S-1232 – Brookhurst Triangle Demolition Project – Phase II (the “Project”), subject to review and approval by the Orange Oversight Board and the State Department of Finance (“DOF”).

On April 13, 2018, the Department of Finance (DOF) approved OB Resolution No. 57-18, approving a contract with J&G Industries, Inc., for demolition and related services for Project No. S-1232 Brookhurst Triangle Demolition Project, Phase II, and authorizing certain actions in connection.

During the demolition process, unanticipated changes in conditions to the site resulted in change order requests being submitted by the Contractor for approval.

Change Order #1 – July 15, 2019

Change in site conditions: During slab and footing removals an underground transite asbestos pipe was discovered that required proper removal and remediated by a qualified company. Work immediately stopped in the area and a 3rd party contractor was contacted for a Survey and Preparation of a Procedure 5 Plan as required by the South Coast Management District. Additional cost incurred \$17,561.25. (Attachment 5).

Change Order #2 – August 12, 2019

Change in site conditions: Removal of additional concrete and block building wall found 3 feet below grade surface. The total area is approximately 70ft x 200ft = 14,000 sq. ft. Additional cost incurred \$44,413.00. (Attachment 6).

The total cost for the change orders is \$61,974.25. The original approved contract amount for J&G Industries, Inc., was for \$330,100.00 with a 10% contingency of \$33,010.00. The Successor Agency is now requesting an amendment to J&G Industries, Inc.’s, approved contract budget for the difference between the previously approved contingency amount and the total change order amount, which is \$28,964.25.

Additionally, the Contractor requested an extension to the term of the contract as a result of the additional scope of work resulting from the unanticipated changes in conditions to the site discovered during the demolition process. The contract was to expire on September 8, 2019. The contractor has requested a 1-month extension to his contract for a new expiration date of October 8, 2019.

The Garden Grove Successor Agency resolution approving an amendment to the budget and an extension to the term of a contract with J&G Industries, Inc., for Project No. S-1232 – Brookhurst Triangle Demolition

Project – Phase II, will be voted upon at the September 10, 2019 City of Garden Grove Successor Agency regularly scheduled meeting. Successor Agency approval is subject to submittal to and approval by the Countywide Oversight Board and then by the State Department and Finance (DOF). The Successor Agency also requests authorization to post the approved Resolution to the City’s website and to transmit the Amended Contract and corresponding documents to the DOF. Further, the City of Garden Grove’s Community and Economic Development Director and her designees, in consultation with legal counsel, shall be authorized to make augmentations, modifications, additions or revisions as may be necessary or directed by DOF.

Impact on Taxing Entities

None until approved by the DOF. If the DOF approves an Amendment to the budget for the contract with J&G Industries, Inc., for Project No. S-1232 – Brookhurst Triangle Demolition Project – Phase II, as submitted, the Successor Agency will increase the contract amount by \$28,964.25. This will result in an increase to ROPS Line Item No. 22 – Brookhurst Triangle DDA, previously authorized RPTTF distribution amount for the period of January 1, 2020 to June 30, 2020, to pay the Successor Agency’s enforceable obligations.

THIS AGREEMENT is made this 18th day of April, 2018 by the CITY OF GARDEN GROVE AS SUCCESSOR AGENCY TO THE GARDEN GROVE AGENCY FOR COMMUNITY DEVELOPMENT, a public body, ("SUCCESSOR AGENCY"), and J&G INDUSTRIES, INC., hereinafter referred to as ("CONTRACTOR").

RECITALS:

The following recitals are a substantive part of this Agreement:

1. This Agreement is entered into pursuant to Successor Agency Board Authorization dated February 27, 2018.
2. The CITY desires to utilize the services of CONTRACTOR to furnish material, equipment, and labor for the **Brookhurst Triangle Demolition Project – Phase II, Project No. S-1232**, herein referred to as the "Project".
3. CONTRACTOR is qualified by virtue of experience, training, education, and expertise to accomplish services.

AGREEMENT

THE PARTIES MUTUALLY AGREE AS FOLLOWS:

- 5.1 General Conditions.** CONTRACTOR certifies and agrees that all the terms, conditions and obligations of the Contract Documents as hereinafter defined, the location of the job site, and the conditions under which the work is to be performed have been thoroughly reviewed, and enters into this Contract based upon CONTRACTOR'S investigation of all such matters and is in no way relying upon any opinions or representations of SUCCESSOR AGENCY. It is agreed that this Contract represents the entire agreement. It is further agreed that the Contract Documents including the Notice Inviting Bids, Special Instructions to Bidders, if any, and CONTRACTOR'S Proposal, are incorporated in this Contract by reference, with the same force and effect as if the same were set forth at length herein, and that CONTRACTOR and its subcontractors, if any, will be and are bound by any and all of said Contract Documents insofar as they relate in any part or in any way, directly or indirectly, to the work covered by this Contract.

"Project" as used herein defines the entire scope of the work covered by all the Contract Documents. If the Contract Documents include Plans and/or Specifications, anything mentioned in the Specifications and not indicated in the Plans, or indicated in the Plans and not mentioned in the Specifications, shall be of like effect as if indicated and mentioned in both. In case of discrepancy in the Plans or Specifications, the matter shall be immediately submitted to SUCCESSOR AGENCY'S Senior Project Manager, without whose decision CONTRACTOR shall not adjust said discrepancy save only at CONTRACTOR'S own risk and expense. The decision of the Senior Project Manager shall be final.

- 5.2 Materials and Labor.** CONTRACTOR shall furnish, under the conditions expressed in the Plans and Specifications, at CONTRACTOR'S own expense, all labor and materials necessary, except such as are mentioned in the Specifications to be furnished by the SUCCESSOR AGENCY, to construct and complete the Project, in good workmanlike and substantial order.

If CONTRACTOR fails to pay for labor or materials when due, SUCCESSOR AGENCY may settle such claims by making demand upon the surety to this Agreement. In the event of the failure or refusal of the surety to satisfy said claims, SUCCESSOR AGENCY may settle them directly and deduct the amount of payments from the Contract price and any amounts due to CONTRACTOR. In the event SUCCESSOR AGENCY receives a stop notice from any laborer or material supplier alleging non-payment by CONTRACTOR, SUCCESSOR AGENCY shall be entitled to deduct all of its costs and expenses incurred relating thereto, including but not limited to administrative and legal fees.

- 5.3 Project.** The Project is described as: **Brookhurst Triangle Demolition Project – Phase II, Project No. S-1232.**

- 5.4 Plans and Specifications.** The work to be done is shown in a set of detailed Specifications entitled: **Brookhurst Triangle Demolition Project – Phase II, Project No. S-1232.**

Said Plans and Specifications and any revision, amendments or addenda thereto are attached hereto and incorporated herein as part of this Contract and referred to by reference. The work to be done must also be in accordance with the General Provisions, Standard Specifications (Caltrans and Greenbook 2012 Edition) and Standard Plans of the CITY, which are also incorporated herein and referred to by, reference.

- 5.5 Time of Commencement and Completion.** CONTRACTOR agrees to commence the Project on date set forth in the "*Notice to Proceed*" issued by the SUCCESSOR AGENCY and shall diligently prosecute the work to completion within **thirty (30) working days** excluding delays caused or authorized by the SUCCESSOR AGENCY as set forth in Sections 5.7, 5.8 and 5.9 hereof.

- 5.6 Time is of the Essence.** Time is of the essence of this Contract.

CONTRACTOR shall have seven **(7) calendar days from the award of the Contract** to execute the Contract and supply SUCCESSOR AGENCY with all of the documents and information required by the Instruction to Bidders and the other Contract Documents, including but not limited to, the necessary bonds and insurance certificates and endorsements. Once the SUCCESSOR AGENCY receives the executed Contract and all of the other properly drafted and executed documents and information, it may issue a Notice to Proceed to the CONTRACTOR. If CONTRACTOR refuses or fails to execute the Contract or refuses or fails to provide the required documents and information within the seven (7) calendar days, the SUCCESSOR AGENCY may then rescind the award

of the Contract and then award the Contract to the next lowest responsive and responsible bidder.

As required by the Contract Documents, CONTRACTOR shall prepare and obtain approval of all shop drawings, details and samples, and do all other things necessary and incidental to the prosecution of CONTRACTOR's work in conformance with an approved construction progress schedule. CONTRACTOR shall coordinate the work covered by this Contract with that of all other contractors, subcontractors and of the SUCCESSOR AGENCY, in a manner that will facilitate the efficient completion of the entire work in accordance with Section 5.5 herein. SUCCESSOR AGENCY shall have complete control of the premises on which the work is to be performed and shall have the right to decide the time or order in which the various portions of the work shall be installed or the priority of the work of other subcontractors, and, in general, all matters representing the timely and orderly conduct of the work of CONTRACTOR on the premises.

5.7 Excusable Delays. CONTRACTOR shall be excused for any delay in the prosecution or completion of the Project caused by acts of God; inclement weather; damages caused by fire or other casualty for which CONTRACTOR is not responsible; any act, neglect or default of SUCCESSOR AGENCY; failure of SUCCESSOR AGENCY to make timely payments to CONTRACTOR; late delivery of materials required by this CONTRACT to be furnished by SUCCESSOR AGENCY; combined action of the workers in no way caused by or resulting from default or collusion on the part of CONTRACTOR; a lockout by SUCCESSOR AGENCY; or any other delays unforeseen by CONTRACTOR and beyond CONTRACTOR'S reasonable control.

SUCCESSOR AGENCY shall extend the time fixed in Section 5.5 herein for completion of the Project by the number of days CONTRACTOR has thus been delayed, provided that CONTRACTOR presents a written request to SUCCESSOR AGENCY for such time extension within fifteen (15) calendar days of the commencement of such delay and SUCCESSOR AGENCY finds that the delay is justified. SUCCESSOR AGENCY decision will be conclusive on the parties to this Contract. Failure to file such request within the time allowed shall be deemed a waiver of the claim by CONTRACTOR.

No claims by CONTRACTOR for additional compensation or damages for delays will be allowed unless CONTRACTOR satisfies SUCCESSOR AGENCY that such delays were unavoidable and not the result of any action or inaction of CONTRACTOR and that CONTRACTOR took all available measures to mitigate such damages. Extensions of time and extra compensation as a result of incurring undisclosed utilities would be determined in accordance with the Standard Specifications for Public Works Construction 2012 edition (Greenbook). The SUCCESSOR AGENCY's decision will be conclusive on all parties to this Contract.

- 5.8 Extra Work.** The Contract price includes compensation for all work performed by CONTRACTOR, unless CONTRACTOR obtains a written change order signed by a designated representative of SUCCESSOR AGENCY specifying the exact nature of the extra work and the amount of extra compensation to be paid all as more particularly set forth in Section 5.9 hereof.

SUCCESSOR AGENCY shall extend the time fixed in Section 5.5 for completion of the Project by the number of days reasonably required for CONTRACTOR to perform the extra work, as determined by SUCCESSOR AGENCY's Finance Director. The decision of the Finance Director shall be final.

5.9 Changes in Project.

- 5.9.1** SUCCESSOR AGENCY may at any time, without notice to any surety, by written order designated or indicated to be a change order, make any change in the work within the general scope of the Contract, including but not limited to changes:

- a. In the Specifications (including drawings and designs);
- b. In the time, method or manner of performance of the work;
- c. In the City of Garden Grove - furnished facilities, equipment, materials, services or site; or
- d. Directing acceleration in the performance of the work.

If CONTRACTOR believes that the written order issued as part of this Section 5.9.1 has caused an increase in costs or time, the CONTRACTOR shall submit a written request for equitable adjustment to the SUCCESSOR AGENCY that includes a detailed cost breakdown and time impact analysis in sufficient detail to allow the SUCCESSOR AGENCY to analyze the request. Said notice shall be submitted via certified mail within twenty (20) calendar days of the CONTRACTOR's receipt of the written change order. CONTRACTOR's failure to submit the written request for equitable adjustment within the required twenty (20) calendar days shall constitute a waiver of any potential change order or claim for said alleged change. The SUCCESSOR AGENCY shall review CONTRACTOR's request and shall provide a written response within thirty (30) days of receipt of the request either approving or denying the request.

- 5.9.2** A change may also be any other conflict, difficulty or issue which the CONTRACTOR believes caused any change to the CONTRACTOR's costs or project schedule, provided CONTRACTOR gives the SUCCESSOR AGENCY written notice and a request for equitable adjustment that includes a detailed cost breakdown and time impact analysis in sufficient detail to allow the SUCCESSOR AGENCY to analyze the

request. The notice shall also state the date the CONTRACTOR became aware of the issue, circumstances and source of the issue and that CONTRACTOR regards the issue as a change order. Said written notice shall be delivered to the SUCCESSOR AGENCY via certified mail within twenty (20) calendar days of CONTRACTOR's first notice of the issue. CONTRACTOR's failure to submit the notice, which includes the written request for equitable adjustment within the required twenty (20) calendar days shall constitute a waiver of any potential change order or claim for said alleged change. The SUCCESSOR AGENCY shall review CONTRACTOR's request and shall provide a written response within thirty (30) calendar days of receipt of the request either approving or denying the request.

- 5.9.3** Except as provided in this Section 5.9, no order, statement or conduct of the SUCCESSOR AGENCY or its representatives shall be treated as a change under this Section 5.9 or entitle CONTRACTOR to an equitable adjustment. Said written change order shall be delivered to the SUCCESSOR AGENCY via certified mail.
- 5.9.4** If any change under this Section 5.9 causes an increase or decrease in CONTRACTOR'S actual, direct cost or the time required to perform any part of the work under this Contract, whether or not changed by any order, the SUCCESSOR AGENCY shall make an equitable adjustment and modify the Contract in writing. Except for claims based on defective specifications, no claim for any change under paragraph (5.9.2) above shall be allowed for any costs incurred more than 20 days before the CONTRACTOR gives written notice as required in paragraph (5.9.2). In the case of defective specifications for which the SUCCESSOR AGENCY is responsible, the equitable adjustment shall include any increased direct cost CONTRACTOR reasonably incurred in attempting to comply with those defective specifications.
- 5.9.5** If CONTRACTOR intends to assert a claim for an equitable adjustment under this Section 5.9, it must, within thirty (30) days after receipt of a written change order under paragraph (5.9.1) or the furnishing of a written notice under paragraph (5.9.2), submit a written statement to the SUCCESSOR AGENCY setting forth the general nature and monetary extent of such claim. The SUCCESSOR AGENCY may extend the 30-day period. CONTRACTOR may include the statement of claim in the notice under paragraph (5.9.2) of this Section 5.9.
- 5.9.6** No claim by CONTRACTOR for an equitable adjustment shall be allowed if made after final payment under this Agreement.
- 5.9.7** CONTRACTOR hereby agrees to make all changes, furnish the materials, and perform the work that SUCCESSOR AGENCY may require without nullifying this Contract. CONTRACTOR shall adhere strictly to the Plans and Specifications unless the SUCCESSOR AGENCY

therefrom authorizes a change in writing. Under no condition shall CONTRACTOR make any changes to the Project, either in additions or deductions, without the written order of the SUCCESSOR AGENCY and the SUCCESSOR AGENCY shall not pay for any extra charges made by CONTRACTOR that have not been agreed upon in advance in writing by the SUCCESSOR AGENCY. CONTRACTOR shall submit immediately to the SUCCESSOR AGENCY written copies of its firm's cost or credit proposal for change in the work. Disputed work shall be performed as ordered in writing by the SUCCESSOR AGENCY and the proper cost or credit breakdowns therefor shall be submitted without delay by CONTRACTOR to SUCCESSOR AGENCY.

5.10 Liquidated Damages for Delay. The parties agree that if the total work called for under this Contract, in all parts and requirements, is not completed within the time specified in Section 5.5 herein, plus the allowance made for delays or extensions authorized under Sections 5.7, 5.8 and 5.9 herein, the SUCCESSOR AGENCY will sustain damage which would be extremely difficult and impractical to ascertain. The parties therefore agree that CONTRACTOR will pay to SUCCESSOR AGENCY the sum of five hundred dollars (\$500.00) per day for each calendar day during which completion of the Project is so delayed. CONTRACTOR agrees to pay such liquidated damages and further agrees that SUCCESSOR AGENCY may offset the amount of liquidated damages from any monies due or that may become due CONTRACTOR under the Contract.

5.11 Contract Price and Method of Payment. SUCCESSOR AGENCY agrees to pay and the CONTRACTOR agrees to accept as full consideration for the faithful performance of this Contract, subject to any subsequent additions or deductions as provided in approved change orders, the sum of: Three hundred thirty three thousand one hundred dollars (\$333,100) and a 10% contingency of thirty three thousand three hundred and ten dollars (\$33,310), as itemized in the bid proposal.

Progress payments shall be made to the CONTRACTOR per month for each successive month as the work progresses. The CONTRACTOR shall be paid such sum as will bring the total payments received since the commencement of the work up to ninety-five percent (95%) of the value of the work completed, less all previous payments, provided that the CONTRACTOR submits the request for payment prior to the end of the day required to meet the payment schedule. The SUCCESSOR AGENCY will retain five percent (5%) of the amount of each such progress estimate and material cost until 30 days after the recordation of the Notice of Completion.

Payments shall be made on demands drawn in the manner required by law, accompanied by a certificate signed by the SUCCESSOR AGENCY's Senior Project Manager, stating that the work for which payment is demanded has been performed in accordance with the terms of the Contract. Partial payments of the Contract price shall not be considered as an acceptance of any part of the work.

5.12 Substitution of Securities in Lieu of Retention of Funds. Pursuant to California Public Works Contract Code § 22300, the CONTRACTOR will be entitled to post approved securities with the SUCCESSOR AGENCY or an approved financial institution in order to have the SUCCESSOR AGENCY release funds retained by the SUCCESSOR AGENCY to ensure performance of the Contract. CONTRACTOR shall be required to execute an addendum to this Contract together with escrow instructions and any other documents in order to effect this substitution.

5.13 Completion. Within ten (10) working days after the contract completion date of the Project, CONTRACTOR shall file with the SUCCESSOR AGENCY's Senior Project Manager its affidavit stating that all workers and persons employed, all firms supplying materials, and all subcontractors upon the Project have been paid in full, and that there are no claims outstanding against the Project for either labor or material, except those certain items, if any, to be set forth in an affidavit covering disputed claims, or items in connection with Stop Notices which have been filed under the provisions of the statutes of the State of California. SUCCESSOR AGENCY may require affidavits or certificates of payment and/or releases from any subcontractor, laborer or material supplier.

5.14 Contractor's Employees Compensation

5.14.1 General Prevailing Rate.

SUCCESSOR AGENCY has ascertained that the prevailing wage requirements of the California Labor Code, including Sections 1770, 1771.5, 1773, 1777.5, and 1776, apply to this Project. CONTRACTOR shall comply with all applicable requirements of Division 2, Part 7, Chapter 1 of the California Labor Code and all applicable federal requirements respecting the payment of prevailing wages. If there is a difference between the minimum wage rates predetermined by the Secretary of Labor and the prevailing wage rates determined by the Director of the Department of Industrial Relations (DIR) for similar classifications of labor, the CONTRACTOR and its Sucontractors shall pay not less than the higher wage rate. The DIR will not accept lower State wage rates not specifically included in the Federal minimum wage determinations. This includes "helper" (or other classifications based on hours of experience) or any other classification not appearing in the Federal Wage determinations. Where Federal wage determinations do not contain the State wage rate determination otherwise available for use by the CONTRACTOR and Subcontractors, the CONTRACTOR and its Subcontractors shall pay not less than the Federal Minimum wage rate which most closely approximates the duties of the employees in question.

5.14.2 Forfeiture for Violation. CONTRACTOR shall, as a penalty to the SUCCESSOR AGENCY, forfeit one hundred dollars (\$100.00) for each calendar day or portion thereof for each worker paid (either by the CONTRACTOR or any subcontractor under it)) less than the prevailing

rate of per diem wages as set by the Director of Industrial Relations, in accordance with Sections 1770 1780 of the California Labor Code for the work provided for in this Contract, all in accordance with Section 1775 of the Labor Code of the State of California.

5.14.3 Reserved.

5.14.4 Apprentices. Section 1777.5, 1777.6 and 1777.7 of the Labor Code of the State of California regarding the employment of apprentices is applicable to this Contract and the CONTRACTOR shall comply therewith; provided, however, that this requirement shall not apply if and/or to the extent that the Contract of the general CONTRACTOR, or the contracts of specialty contractors not bidding for work through a general or prime contractor involves less than thirty thousand dollars (\$30,000.00).

5.14.5 Workday. In the performance of this Contract, not more than eight (8) hours shall constitute a day's work, and CONTRACTOR shall not require more than eight (8) hours of labor in a day from any person employed by him hereunder except as provided in paragraph (5.14.2) above. CONTRACTOR shall conform to Article 3, Chapter 1, Part 7 (Sections 1810 et seq.) of the Labor Code of the State of California and shall forfeit to the SUCCESSOR AGENCY as a penalty, the sum of twenty-five Dollars (\$25.00) for each worker employed in the execution of this Contract by CONTRACTOR or any subcontractor for each calendar day during which any worker is required or permitted to labor more than eight (8) hours in any one calendar day and forty (40) hours in any one week in violation of said Article. CONTRACTOR shall keep an accurate record showing the name and actual hours worked each calendar day and each calendar week by each worker employed by CONTRACTOR in connection with the Project.

5.14.6 Record of Wages: Inspection. CONTRACTOR agrees to maintain accurate payroll records showing the name, address, social security number, work classification, straight-time and overtime hours worked each day and week, and the actual per diem wages paid to each journeyman, apprentice, worker or other employee employed by it in connection with the Project and agrees to require that each of its subcontractors does the same. The applicable contractor or subcontractor or its agent having authority over such matters shall certify all payroll records as accurate. CONTRACTOR further agrees that its payroll records and those of its subcontractors shall be available to the employee or employee's representative, the Division of Labor Standards Enforcement, and the Division of Apprenticeship Standards and shall comply with all of the provisions of Labor Code Section 1776 in general. CONTRACTOR shall comply with all of the provisions of Labor Code Section 1776, and shall submit payroll records to the Labor Commissioner pursuant to Labor Code section

1771.4(a)(3). The CONTRACTOR shall submit copies of certified payroll reports **and cancelled checks** for laborers every week to the SUCCESSOR AGENCY. *If the certified payroll reports are not submitted, the contractor will be notified that compliance is required within five (5) working days or contract work must cease. The SUCCESSOR AGENCY will not be responsible for any delay or acceleration charges or any incurred costs or damages as a result of the work stoppage due to contractor's failure to comply.* Work shall be cease in an orderly, safe fashion with all vehicle access restored, should this not accrue, SUCCESSOR AGENCY will correct the deficiencies and deduct the cost from funds due to the contractor. In addition, no progress payment will be made until the copies of certified payroll reports are submitted.

5.14.7 Contractor Registration. CONTRACTOR and its subcontractors must be registered with the California Department of Industrial Relations pursuant to Labor Code Section 1725.5. This Agreement shall not be effective until CONTRACTOR provides proof of registration to the SUCCESSOR AGENCY.

5.14.8 Posting of Job Site Notices. CONTRACTOR shall comply with the job site notices posting requirements established by the Labor Commissioner pursuant to Title 8, California Code of Regulations Section 16461(e) or other regulation promulgated pursuant to Labor Code Section 1771.4(a)(2).

5.14.9 Notice of DIR Compliance Monitoring and Enforcement. Pursuant to Labor Code Section 1771.4, this Project is subject to compliance monitoring and enforcement by the California Department of Industrial Relations.

5.15 Surety Bonds. CONTRACTOR shall, upon entering into performance of this Agreement, furnish bonds in the amount of one hundred percent (100%) of the Contract price bid, to guarantee the faithful performance of the work, and the other in the amount of one hundred percent (100%) of the Contract price bid to guarantee payment of all claims for labor and materials furnished. This Contract shall not become effective until such bonds are supplied to and approved by the SUCCESSOR AGENCY.

5.16 Insurance.

5.16.1 COMMENCEMENT OF WORK. CONTRACTOR shall not commence work under this Agreement until all certificates and endorsements have been received and approved by the SUCCESSOR AGENCY. CONTRACTOR shall be responsible to collect and maintain all insurance from all subcontractors. All subcontractors shall obtain and maintain the same insurance as required of CONTRACTOR. All insurance required by this Agreement shall contain a Statement of Obligation on

the part of the carrier to notify the SUCCESSOR AGENCY of any material change, cancellation, or termination at least thirty (30) days in advance. CONTRACTOR is also aware of the provisions of Section 3700 of the Labor Code which requires every employer to be insured against liability for Workers' Compensation, or undertake self-insurance in accordance with the provisions of that Code, and will comply with such provisions before commencing the performance of the work of this Contract.

5.16.2 WORKERS COMPENSATION INSURANCE. For the duration of this Agreement, CONTRACTOR and all subcontractors shall maintain Workers Compensation Insurance in the amount and type required by California law, if applicable for the protection of its employees during the progress of the work.
