Independent Auditor's Report

To the Oversight Board and Board of Supervisors
County of Orange Redevelopment Successor Agency
Santa Ana, California

Report on the Audit of the Financial Statements

Opinion

We have audited the financial statements of the County of Orange Redevelopment Successor Agency (Successor Agency), a private-purpose trust fund of the County of Orange, California (County) as of and for the year ended June 30, 2023, and the related notes to the financial statements, which collectively comprise the Successor Agency's basic financial statements as listed in the table of contents.

In our opinion, the accompanying financial statements referred to above present fairly, in all material respects, the financial position of the Successor Agency, as of June 30, 2023, and the respective changes in financial position for the year ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS) and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States (*Government Auditing Standards*). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Successor Agency and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Emphasis of Matter

As discussed in Note 1, the financial statements present only the Successor Agency, and do not purport to, and do not, present fairly the financial position of the County as of June 30, 2023, and the changes in its financial position for the year then ended in accordance with accounting principles generally accepted in the United States of America. Our opinion is not modified with respect to this matter.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America; and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Successor Agency's ability to continue as a going concern for twelve months beyond the financial statement date, including any currently known information that may raise substantial doubt shortly thereafter.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS and *Government Auditing Standards* will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS and *Government Auditing Standards*, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Successor Agency's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Successor Agency's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Required Supplementary Information

Management has omitted the management’s discussion and analysis that accounting principles generally accepted in the United States of America require to be presented to supplement the basic financial statements. Such missing information, although not a part of the basic financial statements, is required by the Governmental Accounting Standards Board, who considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic, or historical context. Our opinion on the basic financial statements are not affected by the missing information.

Supplementary Information

Our audit was conducted for the purpose of forming an opinion on the financial statements that collectively comprise the Successor Agency’s basic financial statements. The supplementary information, as listed in the table of contents, is presented for purposes of additional analysis and are not a required part of the basic financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the basic financial statements. The information has been subjected to the auditing procedures applied in the audit of the basic financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the basic financial statements or to the basic financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the supplementary information is fairly stated, in all material respects, in relation to the basic financial statements as a whole.

Other Reporting Required by Government Auditing Standards

In accordance with *Government Auditing Standards*, we have also issued our report dated December 18, 2023, on our consideration of the Successor Agency’s internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is solely to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the Successor Agency’s internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Successor Agency’s internal control over financial reporting and compliance.

COUNTY OF ORANGE REDEVELOPMENT SUCCESSOR AGENCY
(A Private-Purpose Trust Fund of the County of Orange, California)
Notes to the Financial Statements
For the Year Ended June 30, 2023

Note 1 – Summary of Significant Accounting Policies

Reporting Entity

On January 24, 2012, the County of Orange (County) elected to become the Successor Agency to the former Orange County Development Agency (Successor Agency) in accordance with ABx1 26 (Dissolution Act). An Oversight Board was appointed to oversee the dissolution process. The Redevelopment Retirement Obligation Santa Ana Heights (SAH) Debt Service Fund, Redevelopment Retirement Obligation Neighborhood Development and Preservation Project (NDAPP) Fund, and the Orange County Development Agency (OCDA) Redevelopment Successors Agency Fund are sub-funds used by the County to track the activities of the Private Purpose Trust Fund.

After enactment of the law, which occurred on June 28, 2011, redevelopment agencies in the State of California cannot enter into new projects, obligations or commitments. Subject to the control of a newly established Oversight Board, remaining assets can only be used to pay enforceable obligations in existence at the date of dissolution (including the completion of any unfinished projects that were subject to legally enforceable contractual commitments).

In future fiscal years, successor agencies will only be allocated revenue in the amount that is necessary to pay the estimated annual installment payments on enforceable obligations of the former redevelopment agency until all enforceable obligations of the prior redevelopment agency have been paid in full and all assets have been liquidated.

The accompanying financial statements are not intended to fairly present other financial position or changes in financial position of the County in conformity with the accounting principles generally accepted in the United States of America (GAAP).

Measurement Focus

Fiduciary fund financial statements are used to account for assets held in a trustee or agency capacity and cannot be used to support the County's own programs. Trust funds are accounted for using the economic resources measurement focus and the accrual basis of accounting. With this measurement focus, all assets, deferred outflows of resources, liabilities, and deferred inflows of resources associated with the operation of these funds are included on the statement of fiduciary net position. Additions are recorded when earned and deductions are recorded when a liability is incurred, regardless of the timing of the related cash flows.

Fiduciary Fund Financial Statements

The fiduciary fund financial statements provide information about the Successor Agency's funds.

Deferred Charges on Refunding

The deferred charges on refunding are deferred and amortized over the life of the Successor Agency Tax Allocation Refunding Bonds Neighborhood Development and Preservation Project (NDAPP), Series 2014 and Santa Ana Heights (SAH), Series 2014 using the straight-line method and recorded as a deferred inflow of resources.

Note 1 – Summary of Significant Accounting Policies (continued)

Bond Premium

The bond premium is deferred and amortized over the life of the Successor Agency Tax Allocation Refunding Bonds SAH, Series 2014 using the effective interest method. Bonds payable are reported net of the applicable bond premium.

The bond premium is recorded annually as a reduction of interest expense.

Intergovernmental Revenue

The Dissolution Act amended the allocation of property tax revenue to successor agencies. Property taxes that formerly would have been apportioned to the former OCDA are deposited into a trust fund with the County of Orange, known as the Redevelopment Property Tax Trust Fund (RPTTF). The County Auditor – Controller administers the RPTTF on behalf of the former redevelopment agency debt holders, and taxing entities that receive pass-through payments and property tax distributions. This fund is used to pay obligations listed on the Recognized Obligation Payment Schedule (ROPS), including bond debt service, approved by the Successor Agency’s Oversight Board, and the California Department of Finance. Any remaining monies in the RPTTF after the approved amounts listed on the ROPS have been paid are distributed to the appropriate taxing entities.

Use of Estimates

The preparation of the financial statements in conformity with GAAP requires management to make estimates and assumptions that affect the amounts reported in the basic financial statements and accompanying notes. Actual results could differ from those estimates. Where significant estimates have been made in preparing these financial statements, they are described in the applicable footnotes.

Note 2 – Cash and Investments

The Successor Agency follows the County’s policy guidelines for pooling its cash and investments with the County Treasurer. The County Treasurer abides by the Investment Policy Statement (IPS) in investing the Pool’s monies.

Pooled Cash and Investments

The County Treasurer maintains the Pool for the County and other non-County entities for the purpose of benefiting from economies of scale through pooled investment activities. At June 30, 2023, the Pool contains deposits and investments in U.S. government agencies, negotiable certificates of deposits, medium-term notes, repurchase agreements, and money market mutual funds with an average maturity of approximately 220 days. The Successor Agency’s cash and investments are combined with the County’s pooled investments, and therefore, do not represent specific identifiable investments. The County categorizes its fair value measurements within the fair value hierarchy established by generally accepted accounting principles. The hierarchy is based on the valuation inputs used to measure the fair value of the asset. Level 1 inputs are quoted prices in active markets for identical assets; Level 2 inputs are significant other observable inputs; Level 3 inputs are significant unobservable inputs. Investments in the internal County investment pool are not subject to reporting within the level hierarchy. Interest is apportioned to individual funds based generally on the average daily balances on deposit with the County Treasurer.

Note 2 – Cash and Investments (continued)

Cash Equivalents and Investments with Trustee

Cash equivalents and investments with trustee represent amounts held by a trustee bank, which are restricted for servicing long-term debt of the Successor Agency as required by the bond indentures. The trustee as fiscal agent is mandated by the bond indentures as to the types of authorized investments. The investments of money market mutual funds are reported at net asset value, and as such, are not subject to the fair value hierarchy.

Summary of Cash and Investments

At June 30, 2023, cash and investments of the Successor Agency are summarized as follows:

Cash and investments pooled by the County Treasurer	\$	400,621
Investments held by trustee:		
Money market mutual funds		<u>2,355,384</u>
Total		<u>\$ 2,756,005</u>

Investment Disclosures

As of June 30, 2023, the major classes of the Successor Agency's investments consisted of the following:

	Fair Value	Principal	Weighted Average Maturity (Years)
County Investment Pool	<u>\$ 400,621</u>	<u>\$ 400,621</u>	0.604
Restricted Investment with Trustee:			
Money Market Mutual Funds	<u>\$ 2,355,384</u>	<u>\$ 2,355,384</u>	
 Portfolio Weighted Average Maturity			 0.088

Interest Rate Risk

Interest rate risk refers to the risk that changes in interest rates will affect the fair value of an investment. The County manages exposure to declines in fair value by limiting the weighted average maturity (WAM) in accordance with the IPS. At June 30, 2023, the WAM for the Pool approximated 220 days (0.604 years). The money market mutual funds are government money market funds with the highest ratings by S&P and Moody's, as indicated by the trustee.

Custodial Credit Risk

For an investment, custodial credit risk is the risk that, in the event of the failure of the counterparty, the Successor Agency will not be able to recover the value of its investments or collateral securities that are in possession of an outside party. At year-end, the Successor Agency's investment in the County Pool and Money Market Fund was not exposed to custodial credit risk.

Note 2 – Cash and Investments (continued)

Credit Risk

The IPS sets forth the minimum acceptable credit ratings for investments from any two of the following nationally recognized statistical rating organizations. For an issuer of short-term debt, the rating must be no less than “A-1” or “SP-1” (Standard & Poor’s), “MIG 1/VMIG 1” (Moody’s), or “F1” (Fitch). For an issuer of long-term debt, the rating must be no less than an “A”. As of June 30, 2023, the Pool and money market fund are rated at AAAm Principal Stability Fund Rating by S&P.

Additional information regarding the Pool, including the investment portfolio and related interest rate, the custodial credit, credit, concentration of credit risks, and fair value measurements is presented in Note 4 of the County’s Annual Comprehensive Financial Report (ACFR). The ACFR is available by accessing the Auditor-Controller’s website at <http://www.ac.ocgov.com/reports/acfrreports/>.

Independent Auditor's Report on Internal Control over Financial Reporting and on Compliance and Other Matters Based on an Audit of Financial Statements Performed in Accordance with *Government Auditing Standards*

To the Oversight Board and Board of Supervisors
County of Orange Redevelopment Successor Agency
Santa Ana, California

We have audited, in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States, the financial statements of the County of Orange Redevelopment Successor Agency (Successor Agency), a private-purpose trust fund of the County of Orange, California (County) as of and for the year ended June 30, 2023, and the related notes to the financial statements, which collectively comprise the Successor Agency's basic financial statements and have issued our report thereon dated December 18, 2023. Our report includes an emphasis of matter paragraph stating the financial statements of the Successor Agency do not present fairly the financial position of the County.

Report on Internal Control over Financial Reporting

In planning and performing our audit of the financial statements, we considered the Successor Agency's internal control over financial reporting (internal control) as a basis for designing audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Successor Agency's internal control. Accordingly, we do not express an opinion on the effectiveness of the Successor Agency's internal control.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. *A material weakness* is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected on a timely basis. *A significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses or significant deficiencies may exist that have not been identified.

Report on Compliance and Other Matters

As part of obtaining reasonable assurance about whether the Successor Agency's financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the financial statements. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the entity's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the entity's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.
